## European Friedrich-List-Award 2012

Dear Prof. Svítek,

on behalf of the jury of the European Friedrich-List-Award 2012 and the European Platform of Transport Sciences EPTS we would like to inform you gladly that the master thesis "Development of an electronic vehicle miles travelled toll model" – written by Ms. Markéta Vavrová - has been awarded winning master thesis. We congratulate you and the Faculty of Transportation Sciences.

I cordially ask you to inform Ms. Markéta Vavrová about the result. Please invite her on behalf of us to the awards ceremony in Budapest scheduled on Thursday, 8<sup>th</sup> November 2012. The awards ceremony takes place in the course of the 10<sup>th</sup> European Transport Congress "New ways in city and intercity transport" which will be organised under the direction of the Hungarian Scientific Association for Transport. Further information about time flow and the detailed agenda of the conference can be seen under <http://epts2012.ktenet.hu/index.php?lang=eng>.

We ask Ms. Vavrová to contact us in order to agree on the modalities of her participation at the awards ceremony in Budapest. We bear the costs for hotel accommodation and would agree with her directly on the organisational details of her journey. We incur expenses for Ms. Vavrová and one companion concerning accommodation and journey. The participation of Ms. Vavrová at the conference from 08.-09.11.2012 is free of charge.

With kind regards

Thomas Jerger
