The condition for beginning of an entrance procedure is submission of a completed electronic application form for the university studies in a set term and with all necessities. Applicants must
fill out the electronic application in English. The application form for the studies must be filled on-line, paper application form filled by hand will not be accepted.

The application form for university studies will be filled by applicant in at the internet address https://prihlaska.cvut.cz.

The application form must be honestly and entirely completed. The completed electronic application form must be printed and sent with applicant’s signature to the study department. The transfer of the fee onto Faculty’s account for the tasks connected with the entrance procedure of CZK 650,- can be made via internet card payment at the internet address https://prihlaska.cvut.cz. When using other payment than via internet card payment, the applicant must provide proof of payment of the fee.

Applicants should send their application for studies at university to the study department of the Faculty of Transportation Sciences in Prague. Untrue, incomplete or late applications will not be accepted.

It is necessary to indicate a study programme and a form of study (full-time) in the application form.

Applications submitted after 9th August 2019 will not be considered.

The students will be included into projects on the basis of a chosen project, which they write in the application for studies and which is written in the documents for entrance procedures according to written order of the Faculty, within projects entrance procedure according to their own project choice preferences. Students are included into study fields and projects from the 1st year of study.

A student registers in the study at a project entrance procedure, which all the applicants will take compulsorily part in according to the Faculty’s written instruction that they get in a registered letter during August 2019.

**CONDITIONS FOR ACCEPTANCE**

Admission conditions, entrance examinations and criteria of their evaluation are the same as in the announcement of the standard term of entrance procedure (https://www.fd.cvut.cz/english/applicants/entrance-procedure.html).

The result of the admission procedure can be found on the website https://prihlaska.cvut.cz after entering the application code.

The Decision of Acceptance will be delivered to the applicant in writing.
