

SUMMER SEMESTER OF THE ACADEMIC YEAR 2024/2025

NOTES TO THE TIMETABLE

FOR STUDENTS REGISTERED TO STUDY IN PRAGUE

The first education week of the summer semester of the academic year 2024/2025 (8th calendar week) is considered as even week at CTU FTS.

Education of each course begins with a lecture – all exercises scheduled before the first lecture are cancelled, unless is expressly stated otherwise.

Education of foreign languages (according to student's choice) is realized according to the timetable of Department of Languages and Humanities (K615) – students are enrolled to specific course in KOS.

Education of elective courses not listed in the timetable will be arranged by the students and the appropriate tutors.

Exercises for courses taught by the Department of Mechanics and Materials (K618) and 11CAL2-E begin in the 1st teaching week independently of the 1st lecture.

The course 20BITS-E starts in the 2nd teaching week.

COURSE CODE

The course code is quoted according to the current valid "White Book" of CTU FTS for the academic year 2024/25.
