

SUMMER SEMESTER OF THE ACADEMIC YEAR 2023/2024

NOTES TO THE TIMETABLE

FOR STUDENTS REGISTERED TO STUDY IN PRAGUE

The first education week of the summer semester of the academic year 2023/2024 (8th calendar week) is considered as even week at CTU FTS.

Education of each course begins with a lecture – all exercises scheduled before the first lecture are cancelled, unless is expressly stated otherwise.

Education of foreign languages (according to student's choice) is realized according to the timetable published by Department of Languages and Humanities (K615).

Education of elective courses not listed in the timetable will be arranged by the students and the appropriate tutors.

Exercises for courses taught by the Department of Mechanics and Materials (K618) begin in the 1st teaching week independently of the 1st lecture.

The course 20BITS-E starts in the 2nd teaching week.
